

Speaker Introduction (read by speaker introducing Sunil)

SUNIL BHASKARAN: Pronounced Soo-Nil Bus-Car-Ren

Our speaker today is a dynamic, globally-recognized speaker, trainer, educator, and author. He brings 30+ years of building and implementing successful business plans to entrepreneurs, small business owners, and companies worldwide. His expertise includes leadership, sales, marketing, and global business.

Sunil brings a multifaceted approach to business through his knowledge of the social sciences, economics, literature, and cognitive neuroscience. He is the author of 3 books, promotes to an audience of 200,000 business owners for his educational and networking events weekly (anywhere from 30 to 100 attendees), and has two degrees in both computer science and electrical engineering.

Sunil lives in the Bay area with his lovely wife, Glenda. Please join me in welcoming Sunil Bhaskaran!
